FESTIVAL AND FEE-BASED PROGRAM RESERVATIONS

Last year we added a new feature to our website Fly-Fishing Festival pages to allow you to check and see if your paid reservations for both the festival and any FEE-Based program was accepted (i.e. “did you get into the class?”). Just go to www.fffsec.org/z_registration_check.html and scroll through the page to find the Basic Registration or whatever Class/Seminar you want to check. Click on that name and you’ll be taken to an up-to-date list of information about your selected topic. Attendees will be listed in alphabetical order. If the class is filled, there may be a list of “Standby” names also (in case someone backs out of the class later on). Please allow at least a week from when you mailed the reservations form before checking.

CATCH & RELEASE FUN FISHING DERBY

Come in a day early and fish Unicoi State Park’s Lake **with us from 10AM until 3PM on Friday, April 27th** in our **“CATCH & RELEASE FUN FISHING DERBY”**. For a **\$5 donation**, anyone may participate. Half the money collected will go toward the prizes, the other half will go to the East Tennessee Casting for Recovery fundraising effort. Sign-up will be 8AM-10AM in the Logos Lobby.

The fishing can be done using any hand-held rod method (cane-pole, tenkara, spin- or bait-casting, flyfishing, etc). All fish caught must be measured, photographed, recorded on an official form and released unharmed. Points will be awarded for each fish caught with additional points being awarded for those caught on artificial lures and even more points if the fish was caught by flyfishing. Additional points will also be awarded for catching multiple species of fish (bluegill, green ear sunfish, carp, catfish, largemouth and smallmouth bass, trout, etc) – the more species caught, the more points awarded. Fishing can be done from shore or from any of the fishing docks around the lake ... but additional points will be earned if the fish are caught while fishing from a “human-powered” personal floatation craft (canoe, kayak, belly-boat, personal pontoon, etc). Please NOTE ... there is NO BOAT RAMP at this lake ... so don’t plan to trailer a large craft and paddle or pole it around the lake.
