Dear FFF Fly Tier:

The Federation of Fly Fishers, Southeastern Council would like to extend to you an invitation to be a demonstration tier at the 2012 South Eastern Fly-fishing Festival. The Festival is being held at the Unicoi State Park Lodge in Helen, GA April 27-29, 2012. The Festival fly tying demonstration dates are Saturday (AM & PM), April 28 and Sunday (AM), April 29, 2012. If you wish to setup and tie on Friday, the Logos Lobby area will be open.

The Festival is broken into four tying sessions. We have space for 40 tiers in each session. Please select the sessions you prefer to tie. Please fill out the form and **email** (cspugh4sec@gmail.com) it back to me by **March 15, 2012**. **I will confirm all tier schedules by email.** For those of you that do not have email, please mail your choices back to the above address.

We also need biographical information for inclusion into the Festival Program. Let me know if you prefer we use last years biography. If you want to update it, limit it to no more than 100 words and either email or regular mail it back to me. Being a Demonstration Tyer at the Festival gets you FREE General Registration for the event.

The only requirement to tie at the Southeastern Council Flyfishing Festival, other than being a proficient fly tier, is membership in good standing in the Federation of Fly Fishers. If for some reason your membership has lapsed and you would like to tie in 2012, please contact the FFF National Office (www.fedflyfishers.org) to reinstate your membership.

I look forward to seeing you in April in Unicoi State Park Lodge! Cassie Sulzby Pugh, Tying Chair
