

**UPDATED FFF/SouthEastern Council – Fred Stevenson Scholarship Criteria (As of June 6, 2009):**

1. Applicants must be students registered at a fully accredited public college or university within the FFF South Eastern Council geographical region (AL, GA, KY, MS, NC, SC or TN) and must be in at least their sophomore year of college.
2. Applicants must be majoring in a field of study that fosters the preservation of and/or protection of gamefish or their habitats; for instance, a field relating to aquatic or wetland ecology might qualify as well as more obvious curricula dealing with fish biology, restoration ecology, fisheries management, etc.
3. Applicants must have a 3.0 (of a possible 4.0) G.P.A. or better.
4. Applicants must send a certified copy of his/her transcript plus a statement (at least one page long) explaining how the award monies will further the recipient's career goals to the Scholarship Awards Committee.

---

Notes:

As of the 2003 FFF/SEC board meeting, applications can come from both undergraduate and graduate students.

As of the 2004 FFF/SEC board meeting there is no FFF membership *requirement*; applicants who are either themselves an FFF member or who have an immediate parent or guardian who is an FFF member will be given preferential status over non-members.

What constitutes an appropriate field of study is left largely to the scholarship committee to decide, but a broad concept will possibly enlarge the potential pool of applicants.
